

# Walk in Service for X-ray

The radiology department has a walk in service for adult patients (aged 16 and over) who have been referred for X-ray by their GP. Details of the departments offering this service, along with the times you can attend, can be accessed via the QR code.

If you would prefer to make an appointment contact us on: **0113 733 4974**

For more information about the walk in sites and opening times visit.

Please note, the walk-in service is not available on bank holidays.

Paediatric patients will be provided with a booked appointment in the Children's X-ray department at Leeds General Infirmary
